

Spring Term 2021 After School Clubs and Activities - Year 2

Dear Parent/Carer,

We are pleased to inform you about the after school clubs and activities that have been arranged for your Year 2 child to take part in should they wish to. These will take place at the end of the school day; please see below for further details about how to book, dates, times and collection points.

Your child will go directly from their class to their club so you will only need to collect them once their club or activity has finished. For Year 2 children, all clubs finish at 4:30pm; Nature Club and Home learning Club both dismiss from the reception area of the Main Building. Please can we ask that you consider social distancing whilst collecting children from clubs.

Unfortunately, in the event of the club leader being absent, we will be unable to run the club. We will contact you by 11am on the day of the club in this instance.

Please note we are setting dates for clubs without yet knowing what impact there will be with regard to Covid-19. For example, if we are able to hold face to face parent's evenings this term, we may need to collapse clubs during the week that the meetings are scheduled. We will inform parents in this event with several weeks' notice and apologise for any inconvenience caused.

The clubs for our Year 2 pupils are as follows: -

*Nature Club: Tuesdays from 3.20 - 4.30pm (max of 8 children) £2.00 per week/£20.00 on the following dates: -

*For our school-led clubs, if your child is in receipt of Pupil Premium funding, please book and pay for the club(s) that you want your child to take part in and the office staff will arrange for you to be refunded once all the bookings have been made and your child's place is secured.

Bookings and payments for school-led clubs must be made online via the school gateway app. School Gateway is a secure system developed to provide an easy and efficient administration system for schools. It can be accessed by any device with internet access, including mobile phones.

If you do not already use it to make payments, you can download it from your app store and set yourself up as new user. Please note that if a booking is not visible in the gateway then the club is already full.

With thanks,
